### PARENT VIEW

Parent View gives you the chance to tell Ofsted what you think about your child's school, from the quality of teaching to their progress and how happy they are. The survey can be completed at any time; you don't have to wait until the school is being inspected.

**Parent View!**— Go to <https://parentview.ofsted.gov.uk/login?destination=give-your-views> to register and add your views on the school

# WRAP, SPLAT, HAT

Our children enjoy spending time outdoors, but their skin is more delicate than ours and can easily be damaged by the sun, even when it doesn't seem strong. In school, your child will be learning to stay safe in the sun using three simple steps - Wrap, Splat, Hat.

Here are some easy steps to help you protect your child:

**Make sure that your child has children's sun cream with a minimum SPF50, a t-shirt, and a hat so that they can Wrap, Splat, Hat!**

**Make sure they apply enough sun cream - up to five teaspoons - every two hours.**

**Provide them with sunglasses to protect their eyes and a water bottle to keep them hydrated.**

**Talk to your child about sun safety and the importance of being responsible.**

# SMARTIE'S TUBE CHALLENGE!

As a local charity, who we have supported for many years, we are asking children to fill a smartie tube with donations for Willow Wood hospice.

The first 40 to return them will receive a FREE tube of smarties and all children will 10 dojos!

## CHURCH EASTER VISIT

Children walked to St Mary's on Tuesday 2nd April to find out about Easter and how it is celebrated. Reverend Sheila particularly enjoyed the Early Years children singing 'Spring Chicken'! A local resident commented on the wonderful behaviour and conduct of the school as they walked to the church. Well Done Team BG!

Back at school, each class took part in a lesson to learn about different aspects of the Christian festival. Later on in the year, they will have the opportunity to learn about a different religious festival.
