- 14.11.18—Y5 trip to Cineworld—Space film
- 20.11.18—Y5 Charles I Visitor day in school
- 20.11.18—Nasal flu spray

Dear Parents/Carers,

Our electric security gates are now fully working and operating to ensure the safety of our pupils.

Please be patient with us as the timings may need adjusting after a trial period. Currently the opening times are as follows for the pedestrian gates:

**8.25—9.00am**

**11.20-11.40am**

**12.05-12.30pm**

**3.05-3.30pm**

**4.05-4.40pm**

*Please note when using the gates at times not listed you will need to buzz for entry and exit and someone in school will pick up. When leaving the premises at the times listed, just pull the gate open*

All vehicles using the school drive need to request access and unless you hold a disability blue badge or are a delivery, you will be asked to park a safe distance away from school and use the pedestrian entrance.

## Congratulations!

Huge congratulations to Miss Haley and family on the arrival of her baby boy—George James Ellis. Mother and baby are doing well and his big brother is loving his new role! He weighed 9lb 11 and was born on Monday 10th September.

We can't wait for her to visit for a cuddle!

## Online Safety Workshops for Parents

On Monday 26th November, we will be hosting the NSPCC for children's safety assemblies and a parent's workshop where they want to help every family in the UK talk about and understand their children's online world and help keep them safe.

**SAVE THE DATE!**

**Volunteers**—If you have any spare time, school would love for you to volunteer—anything from helping on trips, listening to readers or general classroom help! See the office or your child's teacher if you think this is something you're interested in! School will apply for your DBS on your behalf so you are on our register to help (and it's free!)

## Gods and Goddesses!

Year 3 had a great day with Ed from the Living History Hub where they tasted Greek food, designed Greek urns, built Greek temples in teams, designed Greek coins using clay and obviously dressed as Greek soldiers, gods and goddesses! They even experienced what it would have been like to make their own wine using their feet to squash their grapes!

Check out [@Y3BradleyGreen](#) on twitter for more photos and videos from their Greek day.

## Before and After School Child Care

We have been busy planning for our before and after school child care and are hoping (all going to plan) that we will be able to open it after the October half term. This will be for children who need to be dropped off at school before school for breakfast due to parent's working and for after school up to 6pm. Keep an eye out over the next few weeks where we will be asking interested parents to sign up and pay a deposit to secure their places!

## Take Shelter!

Year 6 got to experience life as an evacuee last Friday when they dressed in role and visited the air raid shelters in Stockport and spent the afternoon at the museum taking part in air raid precaution workshops and make do and mend! Mr Allen has shared lots of photos on class dojo so make sure you check regularly to keep up to date with what's happening!

## Let's Tweet about it!

All year groups and our ECO council are connected to twitter—here you will find teachers sharing work, videos and photos as well as tagging famous authors, celebrities or other schools to share our work with them!

So far the tweet with the most likes was one from nursery about their forest school with 37 likes and Year 3 have had a like from @RachelRileyRR from Count Down!

All our twitter feeds are on the class pages of the school website, so no need to join twitter to keep up to date with the fab work happening in school!
